Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Little Willy Wiggle Schmiggle is a little different than most kids. He loves to wiggle! Little Willy Wiggle Schmiggle came to mind while I was talking with my grandson, he could not sit still for even 10 seconds. I called him a wiggle schmiggle, then boom, Willy Wiggle Schmiggle was born. Every infant, toddler, and young child wiggles all the time. Sometimes you can barely get them to sit for a few seconds. I wanted this book to represent the way a 5 year old might draw with crayons. Of course I am not a toddler but I wanted the finished project to look like someone very young drew it. I wanted to write and illustrate this book myself. The Adventures of Anna and Andy Hummingbird were professionally done. By doing this book myself I was able to control how it looked as I knew what I wanted. I am actually kind of proud of myself. What a challenge it has been, but I believe it will all be worth it. This book is somewhat interactive asking the child to fill in some blanks and at the back of the book are things they can answer or search for. Great book for parents to read to their children, teachers to read to your students. Great for preschoolers and anyone in between. So to all the people who purchase this book I thank you and maybe someday Willy Wiggle Schmiggle will become a cartoon, coloring books, activity books.etc. Watch for my next book, Don t let the cat out of the bag.
