Robertson of Brighton s Views of Vicarious Sacrifice X. Atonement, and the Distinctive Peculiarity of Moral Law Appendix: --A Discourse on God s Blessedness and His Statutes Preface This volume, it will be obvious, does not profess to be a systematic treatise on the great Doctrine of the Atonement. For that reason, I would have been glad to give it the unpretending title, Papers on the Atonement; and I was anxious to have done so. But it was represented to me, by a friend in whose judgment I have confidence, that such a designation would convey the impression that the following discussions are miscellaneous and fragmentary, --which a glance at the Table of Contents will show is far from being the case. Hence I have qualified the general title, The Atonement, by the supplementary clause, In its relations to the Covenant, the Priesthood, the Intercession of our Lord. And this indicates pretty exactly the real scope of the volume. In a word, my object is to indicate certain conditions under which the Doctrine of Atonement ought to be discussed; and that with a twofold view. First, in order to clear away at the outset all temptation to A...
