Taschen GmbH. Paperback. Book Condition: new. BRAND NEW, Little Book of Butts, Dian Hanson, Big butts, small scale. Cheeky chicks on the cheap. How can we pack so much big booty into such a tiny and inexpensive package? Sorry, but it's a trade secret we can't divulge, except to say that shoehorns and spandex were involved. The original "Big Butt Book" featured a great cross-section of delectable rears from the 1950s to the present day. Here, in the "Little Book of Butts", since life is such an ironic deal, we decided to pare the original content down to just the biggest and the best, in-your-face phatties to which the great Sir Mix-a-lot alluded when penning, "My anaconda don't want none, unless you've got buns, hun." In 150 plus photos you'll see the big and the bountiful, then the bigger and more bountiful, in black and white and in color. The models may be largely anonymous, but their curves are legendary, and now that they're collected in a discrete little package affordable by all in these financially trying times, why hold back? Your badonkadonk is calling.
